

MAIN LOGO

LOGO MARK

TAGLINE

HOSPITALITY | RELIGIOUS | COMMERCIAL

Position, size, and color, along with the spatial and proportional relationships of the Ciana Studio logo elements, are predetermined and should not be altered.

Pictorial Mark:

Most of the time, the pictorial mark will be presented in its Warm Grey tone. The mark should most commonly be used on a light background. The lighter logo can be used on darker brand colors or overlays on video and images.

Tagline:

The tagline is not a direct part of the CIANA Studio logo. The two graphical elements should only be used together in certain situations including (but not limited to):

- Website footer
 - Business cards
 - Print marketing materials
 - Company Clothing
 - Digital Ads
 - Promotional items
 - Email signatures
 - Voicemail
